

Welcome to SMART Junior

P1-P3

What we'll cover today

What is
a bank

How people
earn money

The value
of money

Saving and
spending

What is a bank?

- ✓ A bank is a place where people put their money to keep it safe
- ✓ People also go to a bank if they would like to borrow money

How do people earn money?

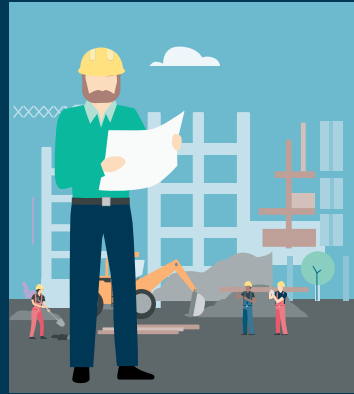

Can you guess what these people do?

Can you guess what these people do?

Doctor

Builder

Firefighter

Chef

Can you help the farmer
with his work?

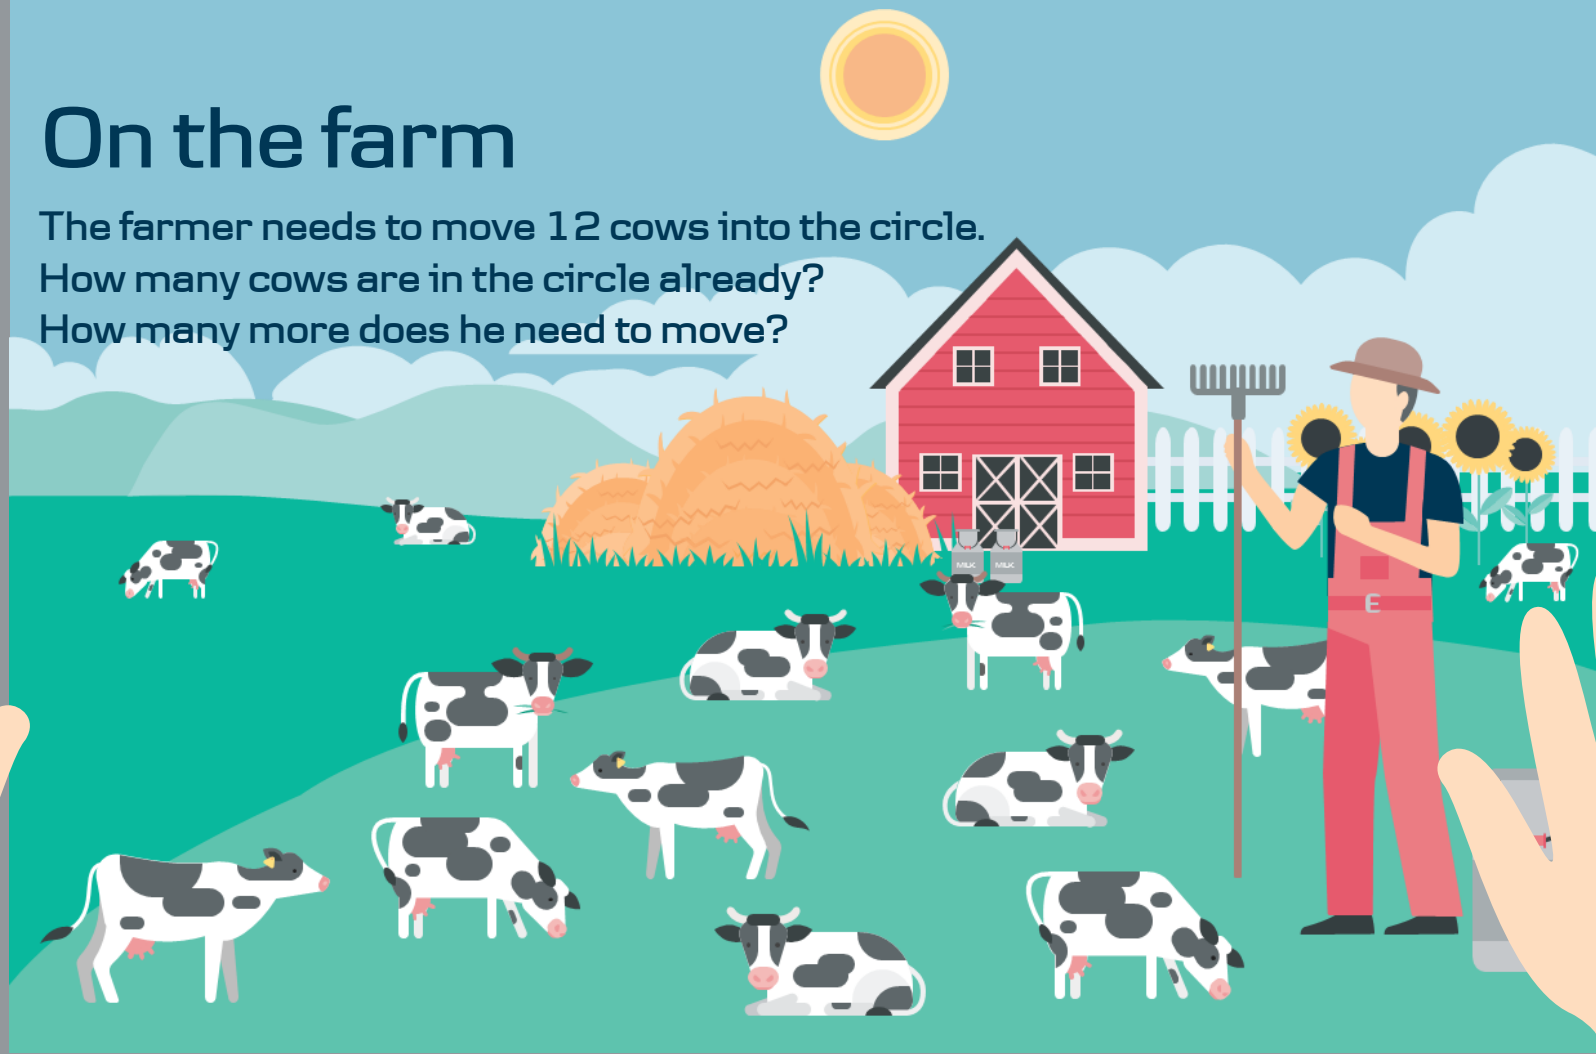

On the farm

Can you help the farmer count his cows?

On the farm

The farmer needs to move 12 cows into the circle.
How many cows are in the circle already?
How many more does he need to move?

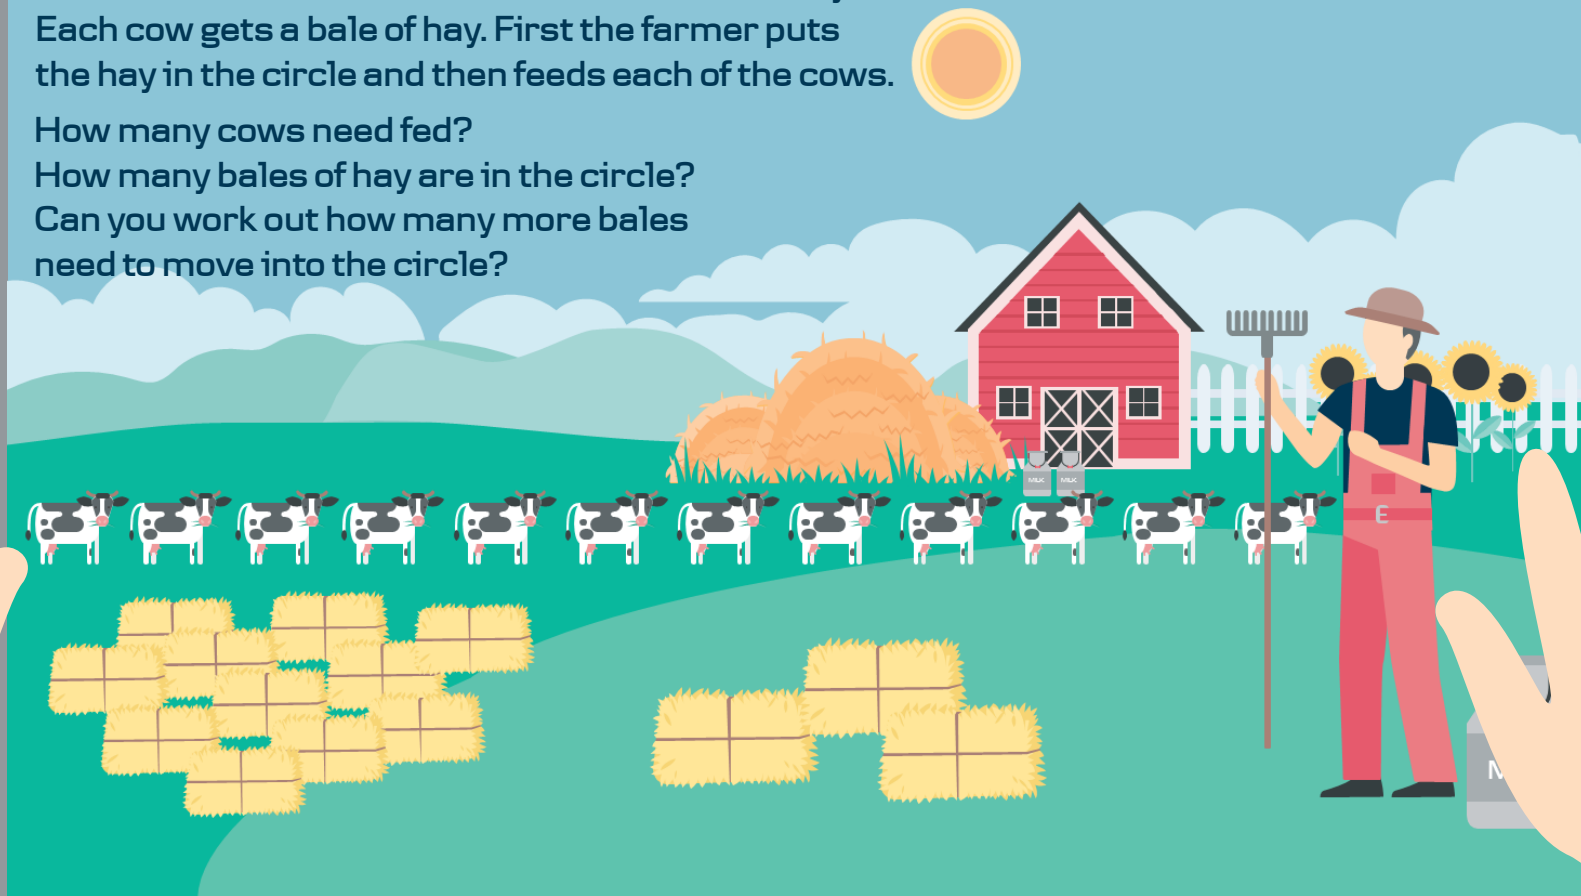

On the farm

Now the farmer needs to feed the cows some hay.
Each cow gets a bale of hay. First the farmer puts
the hay in the circle and then feeds each of the cows.

How many cows need fed?

How many bales of hay are in the circle?

Can you work out how many more bales
need to move into the circle?

On the farm

Thanks for all your hard work helping the farmer complete his tasks.
He will now get paid for completing the jobs on the farm.

Activity 1:

Count some coins

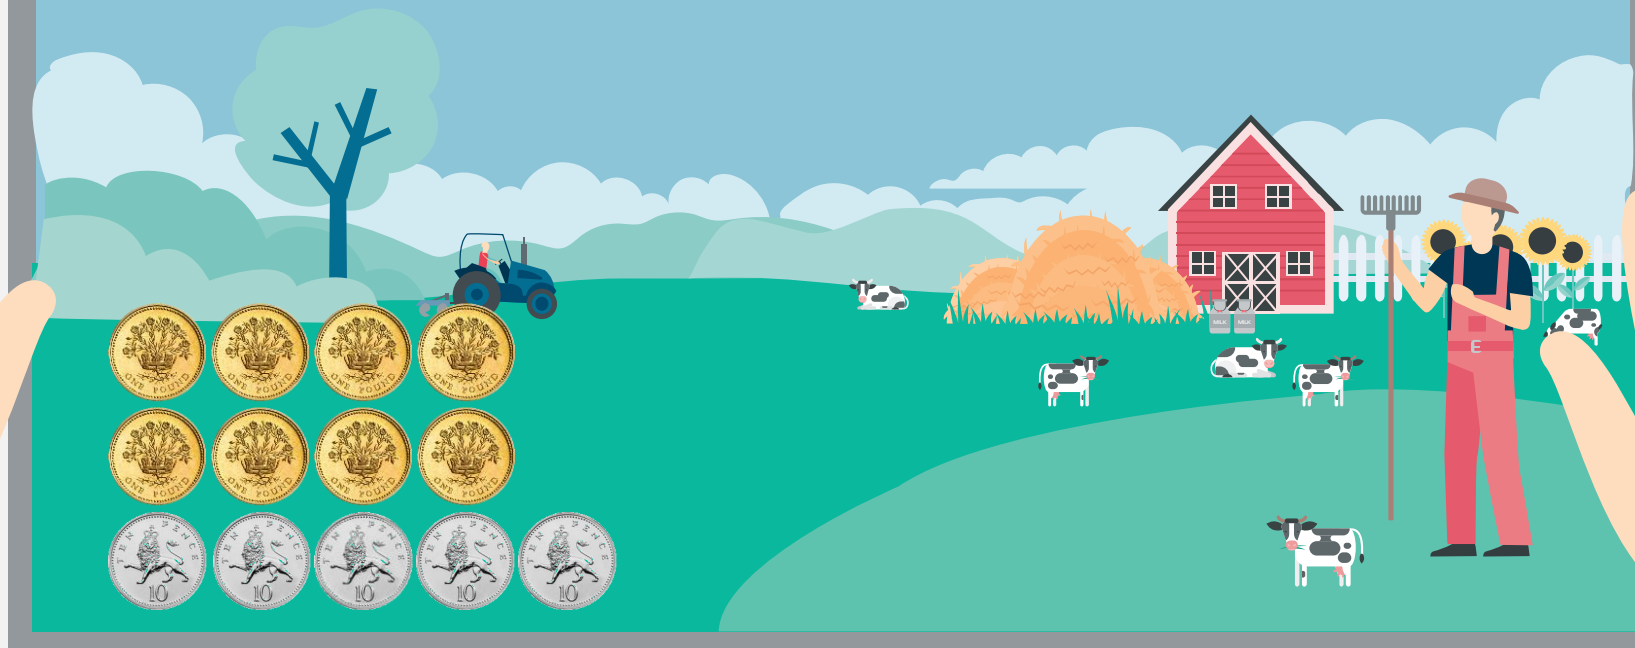

Did you know 10 x 10p coins can be changed for a £1 coin?

Activity 2: Penny's Shop

Your work on the farm has earned you **£8.50.**

Let's see what you can afford to buy...

Savings

You could keep some of your money and save up for something.

Where can you save money?

Why is it important to save money?

An illustration of a white tablet with rounded corners. The screen is a solid teal color and displays the text "Quiz Time" in a white, rounded, sans-serif font. Two stylized, light-skinned hands are shown holding the tablet from the bottom left and bottom right corners. On the left side of the tablet's bezel is a vertical grey bar, and on the right side is a grey circle, representing a home button or a camera lens. The entire scene is set against a solid red background.

Quiz Time
