What we'll cover today

What a bank is
& what services
it offers

How people
earn money

Living on
a budget

Savings

Debt

What is a bank?

A place to
change currency

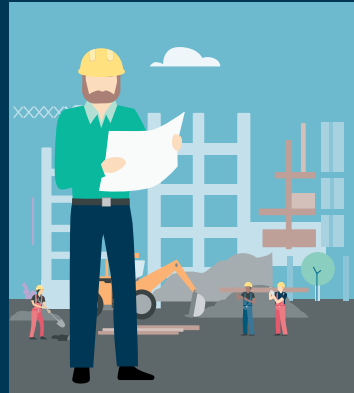

A place to keep
money safe

A place to
borrow money

How do people earn money?

Match the description to the correct job

“I get to visit many countries.

My job is important as I take many people on holiday every year.

My job involves a lot of numeracy as I need to decide how much fuel I need.”

a) Doctor

b) Pilot

c) Builder

“I am very strong as I have to handle heavy objects.

My job is important as I help build houses for people to live in.

I work in all weathers to provide shelter for others.”

a) Nurse

b) Footballer

c) Builder

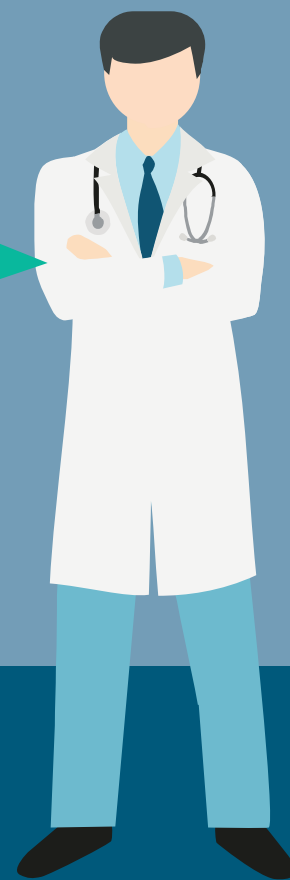

"I help people when they are sick.
My job is important because I
make people better.
I look after people of all ages."

a) Doctor

b) Footballer

c) Builder

Living on a budget

1. What does 'living within a budget' mean?

Being part of
a big family

Staying in
a tall building

Knowing that the
money you spend
isn't more than the
money you receive

Activity 1:

You have been asked to decorate your bedroom on a budget of **£500**.
Decide which items you would buy?

Debt

When people are in debt, they have spent more money than they have.

How do you think people may feel
if they are in debt?

Worried
What else?

How do you think a person may feel
if they have savings?

Happy

What else?

Activity 2:

Write down things you have to pay for in your home that are needs and those that are wants?

Food is a need, but what about fast food, sweets and fizzy drinks?
Would it be a good idea to save up for wants, rather than get into debt?

Activity 3:

Now it's time to find the words in the word search.
