

HOME LOAN GENERAL OFFER CONDITIONS

with effect from 1st July 2020

These Conditions apply to Your Loan. Other terms and conditions are in the Loan Security.

When reading these Conditions You will notice the use of technical and legal words that can be identified by their initial capital letter. The meanings of these special words can be found in the Definitions sections at the end of these Conditions.

The text in italics is there to assist You in understanding how Your Loan works and the obligations, duties and rights which You have. It is important to be aware that this italicised text does not form part of the document and is simply there to assist You.

You should read carefully the Offer, the Conditions, the Loan Security and the Valuation Report (if any) to ensure that You are happy with the proposed terms. By signing the Loan Security You agree that the Property becomes security for all sums that any of You owe Us as well as the Loan Advance. This may include sums that only one of You owes Us.

If You need to talk to Us about any of these Conditions or if there is anything that You do not understand then please contact us.

1. (A) Your Obligations

- 1.1 Joint and several liability
"You" and "Your" in the Offer and these Conditions means all of You together and each and any one or more of You separately. You are liable to Us both jointly and individually for the full amount of the Loan Advance.
- 1.2 You must comply with the terms of the Offer document, the terms of the Loan Security and these General Offer Conditions throughout the term of the Loan.
- 1.3 You must at all time keep the Property in good order and repair. If We or Our agents need to inspect the Property You will give Us access provided that We have given You reasonable notice in advance.
- 1.4 You agree that You will not create any lease or tenancy agreement in relation to the Property without first seeking Our consent - such consent not to be unreasonably withheld. We may decide to impose extra conditions if You ask Us to consent to an arrangement of this nature.
- 1.5 You agree that You will not create or permit to be created any charge over the Property without first seeking Our consent. In the case of a Danske Re:pay mortgage account please refer to Section 7 of these General Offer Conditions.

1. (B) Joint Accounts

1(B). 1 Where the Offer is addressed to more than one person then We may, but are not obliged to, accept the instructions of any one of You to provide Us with any notices under these General Offer Conditions. We may also accept the instructions of any one of You to vary or amend the product described in the Offer under the heading "Main features of the Loan" including, for example, any instruction from You at the end of a Special Rate Period to convert the loan to another product from Our product range.

1.(C) Giving Us Your instructions or sending notices to Us

We may accept instructions or notices which are given by You; or any one of You (where there is more than one of You); or by a mortgage intermediary, where the mortgage intermediary firm is authorised and regulated by the Financial Conduct Authority and the mortgage intermediary is purporting to act as Your agent, in writing (which shall include typing, printing, lithography, photography and other modes of representing or reproducing words in a visible form and shall, for the avoidance of doubt, include instructions conveyed using electronic media). We may also accept instructions or notices which are given orally where there is a record of the conversation - whether a contemporaneous note or a telephone recording.

2. Secured Amount

2.1 What is meant by "All monies"

2.1.1 Investment Property Loans

The Loan Security is security for all of Your liabilities to the Bank, whether joint or several and whether direct collateral or

contingent but does not include any liabilities arising under a regulated consumer credit agreement falling within Part V of the Consumer Credit Act 1974 unless specifically agreed between You and Us.

2.1.2 All other Loans which are not Investment Property Loans

The Loan Security is security for:

- the Loan;
- any other loans or credit facilities where We have specifically agreed with You that the Loan Security is to be held as security for that loan or credit facility; and
- any guarantee that You have provided to the Bank or which You provide to the Bank whether now or in the future.

2.2 Release of the Loan Security

If You are repaying the Loan Advance We will not release the Loan Security unless You also pay to Us all the other money that is owing under the Loan Security - as set out under 2.1 or 2.2 above (whichever applies).

When You ask Us to, We will tell You in writing how much is needed to pay off all money owing under the Loan Security.

2.3 Our right of Set off

We may at any time combine and consolidate all of Your account and set off any moneys held on any of those accounts against all monies that You owe Us.

2.4 Our rights where You have granted Us a mortgage or charge over other property which is not included in the Loan Security

We may decide not to release the Loan Security unless You also repay the amount secured by every other mortgage or charge which You have granted to Us.

3. Duration of the Loan

The Loan is provided to You for the term set out in the Offer under the heading "Main features of Your Loan." The duration of the Loan can vary for one of the following reasons:

- If You can repay the Loan early as set out in the Offer under the heading "Early Repayment";
- If You decide to make overpayments - where You have a right to do so. This will be set out in the Offer under the heading "Flexible Features;"
- If You make Your Payment Instalments before the Instalment Date then it will cost You less and may mean that You repay the Loan before the end of the term which was agreed; or
- If, in the case of a Danske Re:pay Loan, You ask Us to reduce the Safety Limit.

4. Interest

(Except for Section 4.4, this section 4 does not apply to a Danske Re:pay account - see section 7 for information about how interest is calculated and applied to a Danske Re:pay account)

4.1 What interest rate applies to Your Loan

Details about the Interest Rate and other costs that apply to the Loan are set out in the Offer under the headings "Main Features of the Loan" and "Interest rate and other costs."

4.2 How interest is calculated and applied

It is important that You make your Instalment Payments in full and on the Instalment Date. If You do not do this then it may cost You more to repay Your Loan. The reason for this is that interest is calculated daily on the outstanding balance from day to day and charged to the account in arrears on each of the dates on which We usually charge interest (currently at the end of December, March, June and September in each year) and also on demand by Us for repayment of the outstanding balance and on final repayment.

Following any demand by Us for repayment of the outstanding balance, interest will continue to accrue on the amount so demanded at the same rate and in the same manner as set out above until payment in full is received by Us, even after a Court Judgement has been obtained.

4.3 Changes to the interest reference rate

HOME LOAN GENERAL OFFER CONDITIONS

with effect from 1st July 2020

Where the rate of interest You are paying is calculated by reference to Danske Bank Reference Rate (UK) changes to that rate of interest can happen at any time. This is Our own interest reference rate that we set ourselves. It will typically align with the Bank of England Bank Rate, but may vary from that rate. You should not expect it to fall below zero even if the Bank of England Bank Rate does. We make it publicly available on our Website and in Our branches. If We change this rate then We will advertise the change by publishing notices on our Website, in Our branches and in newspapers circulating in Northern Ireland. Any such change will take effect at the beginning of the day after Northern Bank Limited trading as Danske Bank announce a change in the Danske Bank Reference Rate (UK). We will keep You informed about Danske Bank Reference Rate (UK), and any changes to it, in Your periodic statements about Your mortgage.

4.4 Our right to vary the Danske Bank Standard Variable Rate (UK) and Danske Bank Re;Pay Rate (UK)

Where the rate of interest You are paying is Danske Bank Standard Variable Rate (UK) or Danske Bank Re;Pay Rate (UK) You should be aware that these are variable rates which are set by Us. We may vary either of both of these rates at any time for any of the following reasons:

- if it is reasonable to vary the rate to reflect changes which have occurred, or which We reasonably expect to occur, in interest rates generally or in the residential mortgage market;
- to manage margins between interest rates paid to Our depositors or the providers of funds to Us, in the interests of Our business as a whole;
- to reflect changes in costs which We have incurred or in Our financial strength;
- to enable Us to harmonise, in a reasonable manner, the interest rates being paid by borrowers following any acquisition or transfer of mortgage or any take-over of, or merger with, another mortgage provider; or
- if it is reasonable to make the change following a decision or recommendation made by a court, regulatory body, Ombudsman or other official body or as a result of a change (or anticipated change) in the law or the interpretation of the law.
- We may also vary the interest rate for a reason not set out herein but otherwise expressly notified to You in writing provided that it is a reasonable response to the underlying reason and strikes a fair balance between Our legitimate interest and Your own interests. If We do so:

any such change will take immediate effect on the date We specify in a written notice to You, or in notices in Our branches and advertisements in newspapers circulating in Northern Ireland.

Unless otherwise agreed between You and Us, where there is a Fixed Rate Loan or a Discounted Rate Loan, on the expiry of the Special Rate Period, interest must be paid on the Fixed Rate Loan or the Discounted Rate Loan at the Loan Rate as described in Section 4 of the Offer as applying for the remainder of the Duration.

4.5 Where You elect to have immediate recalculation of monthly instalments when the interest rate changes

If You have elected with Us to have the amount of the Instalment Payment recalculated when the rate of interest is varied, We shall, as soon as reasonably practicable after the rate of interest has been varied, notify You in writing of the new Instalment Payment and this will become effective from the payment date after which We have issued such notice.

If You do not elect to have the monthly payment recalculated immediately then, in the event of any interest rate increases, it may cost You more to repay Your Loan for the reason set out in Section 4.2 of these General Offer Conditions

5. Fees and Charges – Changes in Fees and Charges

When You receive Your Offer We will provide You with a document called "Tariff of Mortgage Charges". This sets out the fees and charges which apply to Our mortgages. The tariff is also available on Our website at danskebank.co.uk/tariffmortgagecharges

Where a fee or charge is expressed as the current fee or expressed as variable this means that it can be changed by Us.

We can change these fees and charges at any time for any of the following reasons:

- where it is reasonable to do so to reflect changes in the administrative costs which have been incurred in relation to the service for which the fee or charge is paid;
- if it is reasonable to make the change following a decision or recommendation made by a court, regulatory body, Ombudsman or other official body or as a result of a change (or anticipated change) in the law or the interpretation of the law.

Any such change will take immediate effect on the date We specify in a written notice to You, or in notices in Our branches and advertisements in newspapers circulating in Northern Ireland. We may also change the fees and charges for any other valid reason provided always that We will tell You that the change is made in accordance with this specific provision and the reason We are making the change in the notice We are sending You. We will give You personal notice of any such change before the change takes effect or as soon as reasonably practicable after such change is to take effect and You may end the mortgage contract within 60 days of receiving the personal notice (or where there is a Special Rate Period – at the end of that Special Rate Period) without having to pay the increase in any such fee or charge.

6. Investment Property Loan

This section of these General Offer Conditions applies if Your Offer indicates that the Loan is an Investment Property Loan or if You have indicated to Us that the purpose of the home purchase was for investment and the Property will not be used as Your principal place of residence.

In the case of an Investment Property Loan, You must not let out the Property other than in accordance with the terms of a letting agreement which We shall first of all approve in writing, save that Our approval shall not be required to a letting which is at a rent representing the full open market rental value of the Property, which is not subject to any statutory restriction on the rent recoverable under it, and which does not afford any security of tenure to the tenant under it.

In the case of an Investment Property Loan We may at any time instruct a valuation of the Property to protect Our reasonable interests.

In the event that the ratio of the outstanding Loan to value is less than the Loan to value ratio which applied when the Loan was drawn down We may treat this as an event causing repayment and We may make demand on You to repay the Loan Advance. Our rights under this clause will not be affected or reduced if We delay enforcing Our rights under this clause.

In the case of an Investment Property Loan the section of these General Offer Conditions entitled "Foreign Currency Loans" will not apply.

7. Danske Re;pay Mortgage

In the case of a Danske Re;pay Mortgage:

- You are expected to operate Your Danske Re;pay Mortgage account as Your main current account. Where the features of the account are used for the purpose of making a payment transaction to which The Payment Services Regulations 2017 apply, the General Terms and Conditions – Personal Accounts will apply to those payment transactions. You can access Your Danske Re;pay Mortgage account online using eBanking. If you are registered for eBanking, the Special Terms and Conditions

HOME LOAN GENERAL OFFER CONDITIONS

with effect from 1st July 2020

eBanking and Electronic Signature will also apply. You will be able to access Your Danske Re:pay Mortgage account using the services of Third Party Providers. Information about Third Party Providers is set out in the Special Terms and Conditions - eBanking and Electronic Signature. You may apply for a debit card to be issued to You. Availability of the Card is subject to status. Use of the Card is subject to the Special Terms and Conditions applicable to the Card.

- At the commencement of the Danske Re:pay Mortgage and at the start of each month We shall tell You what Your Safety Limit is for that month, and what it will be for the following month. Your Safety Limit will reduce each month. When the Safety Limit is set at zero any outstanding amount on the Danske Re:pay Mortgage must be repaid and payment services will no longer be provided on the account.
- In addition to the reductions which will automatically be made each month to the Safety Limit, We may, upon giving not less than one month's written notice to You make further reductions in the Safety Limit, or remove it entirely, either by a single amount or progressively by such monthly amounts as are stated in the notice if:
 - (a) We are required to do so by order of the Court;
 - (b) the Property has become significantly devalued;
 - (c) Your affairs or circumstances have changed in such a way that it is reasonable to reduce the Safety Limit. This could apply for example where We, acting reasonably, determine that there has been a material change to Your ability to afford the Loan;
 - (d) material changes in the law, taxation rules or market conditions make it reasonable for Us to reduce the Safety Limit; or
 - (e) if there are 2 or more of You and We are notified by one of You that there is a dispute between You

provided that in all such cases referred to at (a) to (e) above the reduction shall only be by an amount which is reasonable in all the circumstances.

- You must make payments to Your Danske Re:pay Mortgage account so that the amount overdrawn on it does not exceed the Safety Limit applicable at any given time.
- You can ask Us in writing at any time to reduce the Safety Limit and We will do so immediately. If You do, You must tell Us if You want the Safety Limit to be reduced in subsequent months by the same amounts *[which will have the effect of shortening the Duration]* or if You want the Duration to remain the same *[which will mean that the monthly amounts of the reductions in the Safety Limit will become smaller]*. If You fail to let Us know which of these You want, We will keep the monthly reductions in the Safety Limit the same *[thereby shortening the Duration]*.
- You may operate Your Danske Re:pay Mortgage account as a current account and can make withdrawals from it at any time provided that the amount outstanding on the account at any time shall not exceed the Safety Limit applicable at that time. You may use Your Danske Re:pay Mortgage account for any purpose *[except business]*.
- Interest is calculated on a daily basis with reference to the balance outstanding on Your Danske Re:pay Mortgage account at the end of each day. Interest will be calculated and advised to You on the last calendar day of each month and debited to Your Danske Re:pay Mortgage account 12 business days later.
- We are not obliged to meet any cheques or other debits which You may draw on Your Danske Re:pay Mortgage account if the effect of Our so doing would cause the balance on Your account to exceed the Safety Limit.

- If You exceed the Safety Limit We may charge interest at the Higher Rate on the amount of the excess.
- If We receive notice that You have created a charge over the Property or that a third party has acquired an interest in the Property, Your Danske Re:pay Mortgage account will cease and We will not honour any further cheques or other debits drawn on it.
- If We, acting reasonably, ask You for any information about Your financial position, You will give Us that information as soon as possible.
- If any one or more of the events causing repayment occurs and We exercise Our right to demand repayment of the amount outstanding on Your Danske Re:pay Mortgage account, You shall not after that make any further drawings on that account.
- You may repay the amount outstanding on Your Danske Re:pay Mortgage account in full at any time. If You wish to make a partial repayment of the amount outstanding on Your Danske Re:pay Mortgage account, You may do so by requesting Us to reduce the Safety Limit.
- Where the features of Your Danske Re:pay Mortgage account are used for day to day payment transactions to which the Payment Accounts Regulations 2015 apply, We will switch Your payment instructions and any credit balance if requested when You have:
 - i. refinanced; or;
 - ii. repaidthe outstanding obligations on Your account.

8. Self Build Home Loan

If Your Loan is a Self Build Home Loan then the following terms will apply:

- You can drawdown the Loan by way of stage payments. You cannot make any further drawdowns after the date that the Loan expires *[the Loan Duration date]*;
- We reserve the right to prevent the drawdown of any stage payment if there has been a material change to Your circumstances. This could apply, for example, if there is a material change to Your ability to afford the Loan or material changes affecting the condition, value or title to the Property;
- The Loan will commence on the date of the first drawdown or on the date that We advise You in writing, whichever is earlier. We may commence the Loan before You make any drawdowns;
- The interest that You will pay will be calculated on the outstanding balance on Your Loan.
- At the Loan Duration date the Loan is immediately repayable. You can apply to convert the Loan to a Residential Home Loan or in certain circumstances You can apply for the Loan Duration to be extended.

9. Foreign Currency Loans

(This section does not apply to an Investment Property Loan)

- 9.1 A Loan will be designated as a Foreign Currency Loan where at the date of the Offer We have been advised by You that You will be using income which is in a currency which is not sterling to make repayments to Your Loan *[“Your Income Currency”]*.
- 9.2 We reserve the right to designate only some of Our products as Foreign Currency Loans. Details are available from Our Mortgage Advisers.
- 9.3 Even though a Loan is designated as a Foreign Currency Loan, the Loan will be drawdown in sterling and all repayments to the Loan must be made in sterling from a servicing account. Any non-sterling payments into a servicing account will be treated in accordance with the “General Terms and Conditions - Personal Accounts.”

HOME LOAN GENERAL OFFER CONDITIONS

with effect from 1st July 2020

- 9.4 We will send You a warning if the value of Your Income Currency falls by 20% relative to sterling. When determining the sterling equivalent of Your Income Currency we will use the Danske Bank Exchange Rate (UK) - Customer sells foreign currency rate. You can find details of the Danske Bank Exchange Rate (UK), which is a rate determined by Us, on our website at danskebank.co.uk/travelmoney. The Danske Bank Exchange Rate (UK) is subject to change without notice.
- 9.5 If You have a Foreign Currency Loan then it will continue to be treated as a Foreign Currency Loan until it has been repaid in full - even if You cease to have an income in a currency which is not sterling.
- 9.6 You will not have a right to convert Your Foreign Currency Loan into a currency which is not sterling.

10. Incentive Schemes

We have a number of Incentive Schemes as set out below. Please note that You are only entitled to participate in an Incentive Scheme and obtain the benefits of any Scheme if you have completed a mortgage application and received an illustration and We make an Offer of Loan for a residential mortgage and You drawdown the Loan on or before the date that the Offer expires. The Incentive Scheme (if applicable) will be paid to You once the Loan is drawdown unless otherwise specified.

If an Incentive Scheme applies to Your Offer this will be stated in the Offer under the heading "Flexible Features."

(a) Cashback Incentive

In order to qualify for our Cashback Incentive Scheme You must meet one of the following criteria:

- You have not purchased a property previously
- You are a residential mortgage customer who is moving home

The Cashback Incentive Scheme entitles You to the following:

- The Cashback amount stated in the Offer under the heading "Flexible Features" at the date the loan is drawdown

(b) Remortgage Incentive

In order to qualify for the Remortgage Incentive Scheme You must meet all of the following eligibility criteria:

- Your Loan is for an amount of £30,000 or more;
- Your Loan is a residential home loan;
- Your Loan is currently with another financial provider and you are remortgaging it to Us and not moving house.

The Remortgage Incentive Scheme entitles You to the following:

- If We require a Valuation to be carried out as a precondition to granting You the Loan, We will pay the Valuation Fee. We will instruct one of Our panel valuers to carry out a standard professional valuation for this purpose. You will not have to repay the Valuation Fee to Us unless We have issued You with a Binding Offer and You then inform Us that You do not wish to proceed. If the property is located outside Northern Ireland then the most that We will pay under the Remortgage Incentive in respect of Valuation Fees is £600 and We will ask You to pay any excess that the valuer charges Us.
- The rate of interest that will apply to the Loan will be set out in Section 3 of the Mortgage Illustration.
- We will give You the amount of "cashback" which is stated in Your Mortgage Illustration under the heading "Flexible Features". For the avoidance of doubt the cashback referred to here is an intrinsic part of the Remortgage Incentive Scheme and is not the same as the Cashback Incentive. We will ask You to inform the solicitor that We instruct under 4 below of the Sort Code and Account Number for the account that You wish the solicitor to make the cashback payment to. It is important that You check this information carefully before providing it to the solicitor. If there is an error in either the Sort Code or Account Number that You provide then the cashback may be paid into the wrong account and You may not be able to get it back.

4. You are required to provide Us with a first legal charge over the Property offered as Security. We will instruct a solicitor of Our choice to prepare the first legal charge and We will pass details of Your Mortgage to that firm so that they can prepare and register Our charge and attend to the release (and registration of the release) of the charge granted in favour of Your current lender. The solicitor that We instruct will not be acting for You and will not owe You any duty of care. You will need to consider whether You wish to seek independent legal advice in relation to the terms of the legal charge. You will have to pay Your own solicitor's legal fees.

4.1 We will pay Our solicitor's legal fees in relation to the preparation and registration of the charge and associated legal work. If any additional legal work is required (e.g. if there has been a change in the ownership of the premises or if a Deed of Consent and Postponement is required to be signed by any third parties) then You will be responsible for any additional legal fees and the solicitor that We have instructed will provide You with information regarding this.

4.2 If You are a participant in a shared ownership scheme such as Northern Ireland Co-Ownership Housing Association Limited ("Co-Ownership") and You are purchasing the shared ownership scheme's full equity interest in the Property then additional fees will apply and You will be responsible for discharging these additional fees. In these circumstances, You will also be required to obtain independent legal advice and the solicitor that We have instructed will provide You with information regarding this.

(c) Product Fee Incentive

If You are a Danske Prestige, Danske Choice Plus or Danske Freedom current account customer, You are entitled to a discounted product fee when taking out one of Our residential mortgages. The discount is currently £300 and may change. Whether We grant You this benefit depends on You meeting the following conditions:

- You must agree to use Your Danske Prestige, Danske Choice Plus or Danske Freedom account as Your main current account. For example, We would expect You to have Your salary paid into this account.
- If You have a Danske Choice Plus or Danske Prestige current account, You must agree to keep this current account for at least three years from the date of the Offer.

If You are a Danske Prestige or Danske Choice Plus customer and fail to continue to meet the above conditions after You take out a residential mortgage, You will need to repay Us this benefit as follows (this is known as 'clawback')

Year	% of product fee discount to repay
1	100%
2	75%
3	50%

11. Payments

You must make each Instalment Payment to Us on each Instalment Date without deducting any sum or claiming any sums back.

11.1 Making regular overpayments

- You may at any time, except when a Fixed Rate applies to the Loan Amount, increase the amount of the Instalment Payment by notifying Us of the amount which You wish to pay. Our contact details are on Our Website or you can speak to Us at one of Our branches. We will then determine that increased amount as the Instalment Payment and notify You in writing. The Loan Duration date will not be amended. This means that
 - if, there is any subsequent recalculation of Your Instalment Payment (e.g. as a result of an interest rate change) then that Instalment Payment will be calculated by reference to the Loan Duration date set out in Your Offer. If You want to continue to make overpayments after any such recalculation is advised to You then You must notify Us each time via the contact details noted on Our Website or speak to Us at one of Our branches;
 - If there is no subsequent recalculation of Your Instalment Payment then You will have repaid Your Loan Amount before the original Loan Duration date;

HOME LOAN GENERAL OFFER CONDITIONS

with effect from 1st July 2020

- if You subsequently wish to decrease Your Instalment Payments then We will allow You to do this provided that the original Loan Duration is not exceeded. We will advise You in writing of the revised Instalment Amount;

11.2 Making lump sum overpayments

- When a Fixed Rate does not apply to the Loan Amount, You may ask Us to accept a lump sum overpayment. We will credit the lump sum to Your Loan and You can then elect to reduce the Loan Duration ("the Revised Duration date"). You can make any such request with Us via the contact details listed on Our Website or you can speak to Us at one of Our branches. If We agree to Your request We will advise You of any change to the Instalment Amount. The Loan Duration date as set out in Your Offer will not be amended on our system. This means that
 - if there is any subsequent recalculation of Your Instalment Payment (e.g. as a result of an interest rate change) then that Instalment Payment will be recalculated by reference to the Loan Duration date set out in Your Offer. If an increased Instalment Amount is required to repay the Loan by the Loan Duration date set out in Your Offer then We will advise You of the increased Instalment Amount that is required. If a decreased Instalment Amount would be required to repay the Loan by the Loan Duration date set out in the Offer then We will not change Your Instalment Amount;
 - If following any recalculation of Your Instalment Payment You still wish to repay Your Loan by the Revised Duration date You must notify Us each time via the contact details noted on our Website or speak to Us at one of Our branches and We will advise You of any change required to Your Instalment Amount;
 - If there is no subsequent recalculation of Your Instalment Amount after We agree to a request for a Revised Duration date then You will repay Your Loan on the Revised Duration date.

11.3 Overpay (making a lump sum repayment during the Fixed Rate period)

- When a Fixed Rate applies to the Loan Amount, You can make a lump sum overpayment without incurring an Early Repayment Charge as set out under the heading "Early Repayment" in Your Offer, provided this overpayment:
 - Is a maximum of 10% of the outstanding balance of Your Loan;
 - Is made by way of a one off lump sum overpayment; and
 - Is made once during any calendar year being the period from 1 January to 31 December.
- Once We receive the lump sum overpayment, the outstanding Loan balance and the amount of interest payable will be reduced immediately. There will be no changes made to the Loan Duration date, the Fixed Rate or the amount of the Instalment Payment during the Fixed Rate period. You will not be able to change the Loan Duration date until the end of the Fixed Rate period.
- At the end of the Fixed Rate, we will recalculate the Instalment Amount based on the outstanding Loan balance and the remaining Loan Duration. The Loan Duration date will not be reduced automatically. If you elect to reduce the Loan Duration date, as set out in Your Offer, you should contact us. Further details about electing to change the Loan Duration date can be found in Section 11.2 above.

In all other cases, the Early Repayment Charges referred to in Section 12 of these General Offer Conditions will apply to any additional lump sum overpayment.

All payments (except when You are repaying the full Loan Advance) must be made to Your account in a manner that We approve.

We reserve the right to ensure that any part of any payment You make shall not be treated as a repayment of principal until (i) all taxes levied by law and (ii) all interest and costs and charges due or accrued at the time of the repayment under these Conditions or the Loan security have been paid.

You must pay the Loan Advance in full at the end of the Loan Duration.

12. Repayment Early

12.1 If You are repaying either (i) the entire Loan Advance before the end of the Loan Duration or (ii) any part of the Loan before the end of the Loan Duration, in addition to any Early Repayment Charges set out under the heading "Early Repayment" in Your Offer You must also pay:

- all interest up to the day You make such repayments; and
- the current Exit Charge, as detailed under the heading "Early Repayment" in the Offer.

12.2 Moving property

- (a) If You repay Your Loan before the expiry of any Special Rate Period and We agree to grant You a new loan secured by Your new residential mortgage property and which is due to commence on the date that Your Loan is repaid, then We will not apply any Early Repayment Charge.
- (b) If You repay Your Loan before the expiry of any Special Rate Period and We agree to grant You a new loan secured by Your new residential mortgage property and which is not due to commence on the date that Your Loan is repaid, you will be required to pay, in full, an Early Repayment Charge.
 - If you drawdown Your new loan within 180 calendar days of the date of the new offer document, We will refund the Early Repayment Charge directly to Your solicitor with the new loan.
 - If Your new offer document is withdrawn or for any other reason Your new loan does not drawdown within 180 calendar days of the date of the new offer document We will not refund the Early Repayment Charge You have paid to Us.

We will allow You to avail of the Special Rate on the new loan until the date that the Special Rate Period would have ended. The new loan must be equal to the outstanding amount on the Loan which is being repaid. If You need to borrow more money, then You would have to apply for an additional loan at the same time –subject to such terms and conditions as we may determine at that time. All lending is subject to assessment of affordability and eligibility criteria.

13. Life Assurance

You should be aware that if life cover is not in place at the time of Your death We may rely on the sale of the Property to repay the Loan Advance.

14. Events causing repayment

We may demand repayment of the entire loan from You. If We do this then You must repay Us the full amount outstanding when You receive the demand for repayment. We will only exercise Our rights under this clause in the following circumstances:

- (a) the Loan has been obtained as a result of fraud;
- (b) the application for the Loan contained information on which We based Our lending decision that was untrue or misleading;
- (c) You are in breach of any material obligation under these General Offer Conditions, the Offer or the terms and conditions of the Loan Security that You have given to Us and You have failed to remedy the breach within a reasonable time of Us requesting You to do so;
- (d) the Loan Security is not registered or it is not registered as a first legal charge (where that is a requirement of the Offer) and You have failed to cooperate with Us to rectify the position;
- (e) the Property, or part of it, has been or will be acquired under any compulsory purchase order issued by a local authority, highways authority or any other authority that is empowered to issue such an order;
- (f) any substantial building forming part of the Property is demolished or damaged to the extent that the value of the property is reduced;
- (g) You are adjudicated bankrupt or become insolvent or enter into any arrangement with Your creditors;

HOME LOAN GENERAL OFFER CONDITIONS with effect from 1st July 2020

- (h) You sell or create a further interest (such as a lease or trust) in the Property, unless We have consented in writing to You doing this;
- (i) if in the case of a Danske Re:pay Mortgage;
- any of (a) to (h) above applies; or

Home Loan Explanations Document
Important – please read

The following explanations give you some key details about the proposed home loan.

We have shaded in grey those parts of these Explanations that do not apply where we have provided you with an illustration for a product transfer. In the case of a product transfer we vary your contract - this means that we will not drawdown a new loan but we will vary the terms of your existing loan

➤ **Joint accounts**

Where there is more than one person named on the mortgage offer then all of You together and each and any one or more of You separately is liable to Us both jointly and individually for the full amount of the Loan Advance.

Unless you have advised us otherwise, we may act upon an instruction which is given by any one of the joint account holders.

➤ **Giving us instructions including giving us notices**

We may accept notices from you or instructions from you to vary or change your mortgage (including changing the product type that you have chosen). We may accept any such instructions from you where the instruction are given in any of the following ways:

- by writing which includes sending us a letter;
- by using any form of electronic media which includes secure mail, or filling in a form on our website;
- by telephone – where we have recorded the conversation or made a contemporaneous record of the conversation (that is a record taken at the same time as the telephone conversation) ;
- orally – where we have made a contemporaneous record of the conversation; or
- by instructions conveyed to us by a mortgage intermediary – where the mortgage intermediary firm is authorised and regulated by the Financial Conduct Authority and the mortgage intermediary has told us that he/she is representing or advising you.

Where the account is a joint account then, unless you have advised us otherwise, we may act upon an instruction which is given, in one of the ways set out above, by any one of the joint account holders.

In each case we can still require that you give us your instructions in a particular form.

➤ **What is the minimum value of the property required to borrow the illustrated amount?**

This calculation is based on the amount of the loan and product chosen. This is the minimum value at which the property can be valued in order to avail of the rate illustrated in the application. This is not an affordability calculation.

Details can be found in the section “Interest rate and other costs” in the Mortgage Illustration or the Product Transfer Illustration (whichever applies).

➤ **What is the Annual Percentage Rate of Charge?**

The Annual Percentage Rate of Charge (APRC) is the total cost of credit the loan expressed as an annual percentage of the total amount of the loan, including certain costs. The APRC is provided to help you compare different offers.

The following fees have been estimated and are included in the calculation:

- Product Fee (payable to us at the drawdown of the mortgage). This is the fee that we charge you to set up the mortgage.
- Valuation Fee (payable by you to the professional valuer when we instruct him). This is the cost of obtaining a mortgage valuation over the property that is being offered as security to the Bank. The valuation fee is non refundable. This fee only covers the cost of a mortgage valuation report. It is not a survey report and is prepared solely for the benefit of the Bank. If you require a full survey report then you will have to request that yourself and the valuer will provide you with an estimate of the likely fee.
- Vacate Mortgage Fee (payable to us when we execute the vacate of the mortgage deed). The fee quoted is the current fee and is subject to change. Further information can be found in our 'Tariff of Mortgage Charges' leaflet.
- Deeds Release Fee (payable to us when we release your title deeds to your solicitor). The fee quoted is the current fee and is subject to change. Further information can be found in our 'Tariff of Mortgage Charges' leaflet.

The following fees will need to be paid but have not been included in the calculation:

- Fee to Register the Mortgage
- Professional Fee to your Solicitor

Details of the amount of the estimated fees applied to APRC calculation can be found in the section "Interest Rate and Other Costs" of the Mortgage Illustration or the Product Transfer Illustration (whichever applies).

- **In section 3 of my Fixed Rate Mortgage Offer why does it say "Because your loan is a variable interest rate loan..." when talking about the APRC?**

This is because after the initial Fixed Rate period your mortgage reverts to the Danske Follow-on Rate which is a variable rate.

- **The Flexible Features section of my Fixed Rate Mortgage Offer refers to Overpay? What does this mean?**

During your Fixed Rate period you can make Overpayments up to certain amounts without incurring Early Repayment Charges. Your Mortgage Offer will set out the conditions that apply to Overpayments. If you make Overpayments during your Fixed Rate period it will immediately reduce the outstanding balance and interest payable on your mortgage. Making Overpayments will not automatically reduce the term of your mortgage. Please contact us if you want to make an Overpayment.

- **What is the Interest Rate increase assumption used to calculate the Annual Percentage Rate of Charge?**

This is the highest that the Bank of England Bank Rate has been for the last 20 years.

Details can be found in the section "Amount of each instalment" of the Mortgage Illustration or the Product Transfer Illustration (whichever applies). Text starts 'The interest rate on this loan can change...'

- **If your income, that will be used to repay the loan, is not in Pounds Sterling**

This section does not apply to a Product Transfer – unless we have told you that your mortgage is a foreign currency loan

If your income, that will be used to repay the loan, is not in Pounds Sterling we will use Danske Bank Exchange Rate (UK) - 'Customer sells foreign currency rate' to demonstrate the impact if the exchange rate of your income fell by 20% against Pounds Sterling. Your home loan will

always remain in Pounds Sterling, but we will use this rate to measure the impact of exchange rate movements during the term of your mortgage.

Foreign exchange rates can be found on our website.

Details can be found in the section entitled “Amount of Each Instalment” the Mortgage Illustration or Product Illustration.

➤ **Can I add the product fee to the amount of the loan?**

If you wish you can add your product fee to the amount of your loan.

By adding the fee to the loan the fee becomes part of the loan and as such you will pay additional interest over the term of the borrowing. This means that it will cost you more.

If you add the fee to the amount of the loan the total amount of the loan is shown in section 2 of the Mortgage Illustration or the Product Transfer Illustration (whichever applies).

➤ **Recalculation of Interest**

You have been given the option of payment review on interest rate change or on an annual basis. The option you have selected is detailed at the start of the Offer.

➤ **Is the loan portable?**

You do not have the right to port or transfer your loan to another lender or property. If your new loan is for the amount outstanding on your existing loan then we will allow you to continue to avail of any Special Rate terms but these will apply to the new loan. If your new loan is for a greater amount then we may offer you a separate loan for the additional amount. All lending is subject to the Bank’s lending, affordability and eligibility criteria.

➤ **When will my new monthly repayment be effective from? (This only applies where you have received a Product Transfer Offer)**

If the ‘Switch Date’ is within 19 days of your next repayment, the interest rate applicable to your loan will still change to the rate stated on your product transfer offer letter on the ‘Switch Date’ but the repayments will not change until the following month. We will send you further information about this after the Switch Date.

➤ **What happens if I cannot make the required repayments when they fall due?**

If you do not make the required repayments when they fall due we may demand repayment of the full amount outstanding on the loan and this may mean that you will incur further interest and costs. We may also pass information to credit reference agencies which may impact on your ability to take out further loans. As a last resort, your home may be repossessed if you continue to default on repayments.

If you have difficulties in making your monthly repayments at any stage during the loan, please contact the Bank immediately to explore possible solutions.

➤ **Binding Offer (Not applicable to investment property loans)**

This section does not apply to a Product Transfer

The Bank will make a conditional Mortgage Offer to you but when any conditions precedent set out in Annex 1 to the conditional Mortgage Offer are satisfied, the Bank will send out a binding Offer letter.

This means that the Mortgage Offer is no longer conditional and is binding on the Bank and can only be withdrawn by the Bank if there is a material change to the facts and circumstances relating to the Mortgage Offer which occurs after the date of the binding Offer letter.

What are examples of a material change?

Examples of a material change are set out below:

(1) Material changes to Your ability to afford the loan such as :

- Your income falls or your outgoings increase. For example, you lose your job, there is a reduction in your working hours or you apply for further borrowing which is to be secured on the property;
- You are subject to personal insolvency proceedings such as you have a petition presented for your bankruptcy;
- You separate from your partner or commence divorce proceedings;
- There is a significant detrimental change in the state of your health which has an impact on your ability to afford the loan.

(2) Material changes affecting the condition, value or title to the property:

- There is a change to the condition, value or title to the property or we revalue the property after the date of this binding offer and such change or the revaluation has a material impact on the suitability of the property as security for the loan.

You should note that as part of the steps we undertake prior to transferring the amount of the loan to you or your solicitor we require your solicitor:

- a) to carry out certain checks in relation to the title of the property; and
- b) to confirm that any adult occupiers in the property who are not also borrowers have agreed to postpone any interest they have in the property to us.

Once these checks are completed, your solicitor will confirm this to us and provide us with a certificate of title document, which confirms who owns the property and details of the transaction. We may withdraw the Mortgage Offer if your solicitor tells us that he cannot provide us with a clear certificate of title; any adult occupier has not agreed to postpone their interest or the solicitor cannot comply with our instructions in relation to the property.

(3) Material changes to the information that you have provided to us:

We discover that you have intentionally:

- provided us with untrue, inaccurate or incomplete information as part of your application for the loan and we have used this information in deciding whether to provide the offer to you; or
- withheld information which we have requested from you as part of your application for the loan and had we been aware of the relevant information we would not have provided the offer to you.

(4) Material changes to our regulated status:

- We are no longer permitted to lend the money to you due to our regulator removing or restricting our permission to lend.

➤ **Reflection Period (Not applicable to investment property loans)**

This section does not apply to a Product Transfer

The Binding Offer letter is the starting point for a requirement for you to have a seven day period to reflect upon the Mortgage Offer. The purpose of this reflection period is to provide you with sufficient time to compare offers, assess their implications and make an informed decision before you ask us to drawdown the loan.

After the 7 day reflection period has elapsed, the Mortgage Offer will remain binding upon the Bank until 180 days after the date of the Mortgage Offer. You can ask us to drawdown the loan before the expiry of the 7 day reflection period in accordance with the instructions set out in the Binding Offer letter. If you do so we will treat your request as confirmation that you have chosen

to proceed without waiting until the end of the reflection period. This means that you have decided that you do not need any further time to reflect and you wish to end the reflection period before the 7 days would have elapsed.

Danske Bank Tariff of Mortgage Charges

Danske Bank is closely involved in the mortgage industry's initiative with the Council of Mortgage Lenders and Which? to make our fees and charges easy for you to understand. Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages.

When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means **we either don't offer this service or charge you these fees.**

Correct as at 7th November 2019.
