How do I open and manage my account

- You must be at least 18 years old and resident in the United Kingdom for tax purposes or a Crown employee serving overseas (or married to, or in a civil partnership with, a Crown employee working overseas).
- You can open your account in branch or by phone.
- You can transfer an ISA between ISA providers at any time. It is also possible to transfer from one type of ISA to another. You can request the transfer of an ISA by contacting the new ISA provider who will arrange the transfer.
- You can only hold one Danske Cash ISA. You can't therefore apply to open a new Danske

Cash ISA where you already hold one.

- You can access your account in branch, by phone, by writing to us or by using eBanking and Mobile Banking (if you have registered for these services).
- You can open and maintain the account with as little as £1.
- Each tax year you can pay in up to your annual ISA allowance which is £20,000 in the 2024-2025 tax year.
- In addition, you can also transfer previous tax years' ISA subscriptions.
- Each tax year you can subscribe the full limit to one type of ISA or split the limit in any way across multiple cash ISAs, a stocks & shares, an innovative finance ISA and a lifetime ISA, subject to the Lifetime ISA payment of £4,000.
- We'll send you a paper statement at least every 6 months unless you've asked to receive them electronically with eBanking. You can ask to change to electronic statements at any time using danskebank.co.uk/gopaperless.

Can I withdraw money?

- Yes. You can withdraw money:
 - at any of our branches in cash, or
 - by using eBanking or Mobile Banking (if you have registered for these services).
- Some withdrawal limits may apply, depending on the service you are using. Take a look at our payment table for everything you need to know.
- Taking money out of your Danske Cash ISA will reduce the balance of your Danske Cash ISA and therefore reduce the tax savings you could be entitled to at the end of the tax year.
- If you have fully subscribed to your ISA in a tax year, any amount withdrawn cannot be reinvested in the ISA until the following tax year.
