Initial deposit at account opening	Estimated interest earned after 12 months	Estimated balance after 12 months
£1,000.00	£35.50	£1,035.50

## How do I open and manage my account

- You are eligible for the account if you are:
  - a child under 18 years of age who is resident in the United Kingdom and you were not eligible for a Child Trust Fund; or
  - a child who has a Child Trust Fund, and the Child Trust Fund is being transferred in full into the Junior Cash ISA and the Child Trust Fund is being closed.
- If you are aged 16 or 17 you can open the account in your name or if you are a person with parental responsibility for an eligible child, you can open the account in the child's name. Whoever opens the account will be the registered contact on the account for receipt of statements and correspondence.
- When you reach 16 you can take over management of the account without the consent of the registered contact. Once this is done the registered contact status cannot be passed to another person.
- If you are aged 16 or 17 or have parental responsibility for an eligible child, you can open the account in branch. If you have parental responsibility for an eligible child and you are aged 18 or over you can open

the account by phone.

- You can transfer in funds from a junior ISA with another ISA manager, or a Child Trust Fund with another provider, to a Danske Junior Cash ISA as long as it does not result in the child having two junior cash ISAs or a junior ISA and a Child Trust Fund at the end of the transfer process. The registered contact applying for the transfer must also be the registered contact on the account being transferred. You can contact any of our branches and we can arrange the transfer for you.
- You can transfer your Junior Cash ISA to another provider at any time, you will need to contact your new ISA provider to arrange this.
- If you are the registered contact you can manage the account in branch, by phone, by writing to us or by using eBanking or Mobile Banking (if you have registered for these services).
- An initial subscription of £25 is required to open a Junior Cash ISA with us. If you don't make this initial subscription, we'll send you reminders by text message and may close the account if the deposit isn't made.

## **Additional information**

- Tax-free means that interest is paid free from income tax. This position may change in the future.
- AER means 'annual equivalent rate'. It tells you how much interest you'd earn if you put money in an account and left it there for a full year. It includes how often the interest is paid and assumes any interest paid during that year is added to the balance and earns interest.
- Rate correct as at 06/04/2025.
