		3years	£5,000 -£249,999	3.40%/3.29%	£250,000 and over	3.40%/3.29%
		4years	£5,000 -£249,999	3.30%/3.14%	£250,000 and over	3.30%/3.14%
		5years	£5,000 -£249,999	3.20%/3.01%	£250,000 and over	3.20%/3.01%

- Interest is calculated on a daily basis at the agreed rate and is paid into your account on the maturity date.
- Interest is paid on a tiered basis, which means you will earn one rate on your entire account balance. That rate depends on the total balance.
- If your existing Term is not shown in the table above, please refer to your agreement document for further information. If you have any queries, you can contact your relationship manager or branch.

	unless you instruct us otherwise.
Additional information	 Interest is paid 'gross'. This means that we do not deduct tax from the interest we pay. Depending on your personal circumstances, you may have to pay tax on your interest. AER stands for 'Annual Equivalent Rate' and illustrates what the interest rate would be if interest was paid and compounded (paid on the total balance including previous interest) once each year. Rate correct as at 15/10/2024.

The information provided in this summary box includes the key features of the account only and is not intended to be a substitute for reading the terms and conditions that apply to the account.
